   c. Reclassification.
      i. Generally. Any change in non-union employee position classifications shall be governed by policies established by the Executive Committee. The criteria for requesting a reclassification include: assigned duties and responsibilities substantially exceed the job classification, increased or new responsibility assigned by management, and additional training or skills required by the job and obtained by the employee. A higher volume of duties without a substantial change is not a valid criterion for reclassification. All requests for reclassification...
shall be reviewed by the Human Resources Director and a Review Committee appointed by the County Administrator. The County Administrator shall be the determining authority for approval of re-classes, who shall notify the County Board annually of those approved within the budgeted amount.

ii. **Interim Appointments.** Interim appointments may be made to fill vacant positions until a successor is able to assume the duties of the position, but not to exceed 6 months, per approval by the County Administrator. Such appointments may be made from within the County service. If so, all benefits and privileges shall continue to accrue. Such employee shall start at the minimum of the new position and pay grade, or receive a pay step that provides an increase over existing pay. If the interim employee is named the successor, such time may be credited toward the probationary period at the discretion of the County Administrator.

d. **Demotion.** An employee demoted to a lower pay grade shall be placed in the same step as held in the previous pay grade, or a step which provides appropriate pay depending on the reason for the demotion. The demoted employee shall progress through steps, if any, in the demoted grade, from the date of demotion. Demotions shall be reviewed by the County Human Resources Director and approved by the County Administrator.

e. **Transfer.** The lateral movement of an employee from one position to another in the same pay grade is a ‘transfer.’ Transfer shall be to the same step as currently occupied, but the employee shall progress to the next higher step from the date of transfer.

f. **Reinstated Employees.** A previous employee, who is rehired within 12 months after leaving County service, shall be considered ‘reinstated.’ Such employee may receive a salary equal to the same step in the classification and pay grade held at the time of termination, if hired back to the same position. Special consideration may be given to reinstated employees who terminated County service and obtained additional education or experience to enhance their job performance. Reinstatement shall not entitle an employee to claim past service credits for vacation and sick leave and the reinstated employee may be required to serve a probationary period. This section does not apply to seasonal or temporary employees. Those rehired after more than 12 months separation shall not be considered ‘reinstated’.

g. **Annual Salary Adjustments.** The pay grades and steps for each classification shall be reviewed annually and the Human Resources Director shall recommend changes to the County Administrator. Annual salary adjustments shall be considered by the Executive Committee which shall make a recommendation to the County Board. Any adjustments shall become effective at such time indicated in a County Board resolution.

h. **Pay Plan Policy and Procedure.** The Human Resources Director shall recommend and the County Administrator shall consider approval of, subject to review by the Executive Committee and County Board, policy and procedure for the employee pay plan, including part time and special rates, merit step considerations, shift differential and other appropriate rules for administering the pay plan.

(2) For purposes of this section, “family member” includes: spouse, son, daughter, mother, father, brother, brother-in-law, sister, sister-in-law, son-in-law, daughter-in-law, mother-in-law, father-in-law, aunt, uncle, niece, nephew, stepchild, stepparent, grandchild, grandparent or any member of an employee’s immediate household.
(3) No family member shall supervise another family member directly or indirectly, nor shall any employee be promoted into a position which would result in the prohibited supervision. In order to allow equal opportunity, family members may apply for positions or promotions which would result in nepotism, however, if a transfer, hiring or marriage occurs between employees, which would create a violation of the prohibition against nepotism, then both employees shall be given the opportunity for one of them to resign. In the event neither one volunteers, then the least senior employee or the employee at the lowest pay level shall be terminated, at the discretion of the County.

3.17 POLITICAL ACTIVITY.
Employees are precluded from engaging in political activity that interferes with their normal work performance or is conducted during hours for which the employee is being paid by the County. Employees may not use County equipment or property for political purposes. Employees are specifically prohibited from using their County position or their official authority with the County for the purpose of directly or indirectly coercing any person to hold or contribute monetary or other types of assistance to any political candidate, party or purpose. (3) This does NOT include things such as:

   (b) acceptance of a non-monetary award such as a plaque for meritorious public or personal contributions or achievements;
   (c) other items of insignificant value unlikely to influence the judgment of individuals covered by this code.

3.20 **HARASSMENT, DISCRIMINATION AND RETALIATION PROHIBITED**

It is the policy of La Crosse County that all employees should be able to enjoy a work environment free from all forms of unlawful harassment and discrimination. La Crosse County will not condone or tolerate any conduct in the workplace on the part of its employees (whatever their positions), elected officials, vendors, or members of the public, if that conduct violates the right of someone else to be free from harassment, discrimination or retaliation. County employees who violate this policy will be subject to appropriate discipline, up to and including termination. (See Employment Handbook for a detailed description of the procedures employees should follow in regard to this policy.)

Subchapter 5

**GRIEVANCE PROCESS**

3.23 **POLICY**

This grievance procedure is intended to meet all of the requirements set out in Wisconsin Statute Section 66.0509 (1m). It is the policy of the County to treat all employees equitably and fairly in matters affecting their employment. Each employee of the County shall be provided ample opportunity to understand and resolve matters affecting employment, which the employee believes to be unjust. The presentation of a formal grievance shall be considered to be the right of each regular County employee without fear of reprisal. The County Administrator shall not have access to the grievance procedure. Department Heads shall not have access to the grievance process based on Wisconsin Statutes Section 59.18 (2)(b).

3.24 **DEFINITIONS**
(89-19/20)

(1) “Grievance” means a formal complaint by an employee concerning: employee discipline, employee termination, or workplace safety.

(2) “Employee discipline” includes unpaid suspensions, disciplinary demotions and disciplinary terminations. It does not include, without limitation, performance evaluations, work plan, verbal counseling, written or verbal warnings, placing an employee on paid administrative leave pending an internal investigation, change of pay or benefits due to economic reasons, reassignment or change of duties, or refusal to promote or reclassify.

(3) “Preponderance of the evidence” means the greater weight of the evidence - superior evidentiary weight that, though not sufficient to free the mind wholly from doubt, is still sufficient to incline a fair and impartial mind to one side of the issue rather than the other.

(4) “Regular County employee” means

(a) for discipline or termination matters: except for the limitations listed above, employee means regular, full or part-time employees; but does not include temporary, irregular part-time or seasonal employees, elected officials, probationary employees or employees covered by a collective bargaining agreement.

(b) For workplace safety complaints, employee includes any employee of La Crosse County.

(5) “Termination” means involuntary end of employment due to disciplinary reasons; but does not include layoff, resignation, end of position funding, and reduction of hours or pay for economic reasons. The exclusions given are illustrative only and not limiting or exclusive.

(6) “Workplace safety” means a condition of employment directly affecting the complaining employee’s health or personal safety. A violation of any applicable state or federal occupational safety or health standard, rule or regulation implicates workplace safety.

3.25 ADMINISTRATION
The Human Resources Director shall supervise and administer the grievance process. Supervisors and Department Heads shall keep the Human Resources Director informed of all grievances in process.

3.26 FILING A GRIEVANCE
(1) This grievance procedure is available to all regular full-time and part-time County employees.

(2) Limitations:

(a) A grievance that may be brought by or on behalf of a law enforcement officer using the procedure specific in Wis. Stat. Section 59.26(8) may not be brought under this section.

(b) A grievance that may be brought by or on behalf of an employee under a grievance procedure that is contained in a collective bargaining agreement may not be brought under this section.

(c) Individuals not covered under this policy include: limited term employees; seasonal employees; statutorily appointed individuals identified specifically in statute as serving at the pleasure of an appointing authority; elected officials; and independent contractors.

(d) A grievance filed outside of the specified time lines in Section 3.28 will be denied. An employee failing to comply with the time lines will forfeit all rights to participate in the grievance procedure as spelled out in Section 3.28.

3.27 DISCUSSION OF PROBLEM WITH IMMEDIATE SUPERVISOR
Any employee having a problem regarding their employment shall first discuss the problem with their immediate supervisor. If the problem is not settled to the employee's satisfaction and is a grievance according to Section 3.24, the employee may present their grievance according to Section 3.28.
3.28 GRIEVANCE PROCEDURE
A formal grievance of an employee shall be handled in accordance with the following procedure.

STEP 1. Supervisor.
The employee shall, within 14 calendar days of the event giving rise to the grievance or the date they could reasonably be expected to have knowledge of the grievance, file the written County Grievance Form with the employee’s immediate supervisor and provide a copy to the Human Resources Director. Verbal notice is not acceptable. If the immediate supervisor is the subject matter of the grievance, in which case, the employee may immediately proceed to Step 2. If the Department Head is the subject matter of the grievance, the employee may immediately proceed to Step 3. The supervisor shall within 5 calendar days meet and discuss the grievance with the employee and then reply in writing within 5 calendar days.

STEP 2. Department Head.
In the event that the immediate supervisor’s decision is not satisfactory to the employee or the immediate supervisor is the subject matter of the grievance, the employee may within 7 calendar days, present the grievance in writing to their Department Head. The Department Head, or their designee, shall, within 5 calendar days, meet and discuss the grievance with the employee and then reply in writing within 5 calendar days.

STEP 3. Human Resources Director.
In the event that the Department Head’s decision does not satisfy the employee’s grievance or if the Department Head is the subject matter of the grievance, the employee may, within 7 calendar days, present the grievance in writing to the Human Resources Director. The Human Resources Director shall arrange to meet within 10 calendar days of receipt of the grievance with the employee, their representative, if any, and any other person the Human Resources Director deems necessary. If, in the judgment of the Human Resources Director, a hearing is necessary to ascertain the facts surrounding the dispute, one shall be scheduled as soon as practicable. After the hearing, the Human Resources Director shall respond to the grievance in writing to the employee within 10 calendar days.

By mutual agreement between the Employer and the Employee the timelines in Steps 1, 2 and 3 may be extended.

STEP 4. Impartial Hearing Officer (IHO).
In the event the decision of the Human Resources Director does not resolve the grievance, the employee may, within 7 calendar days, request a hearing before an Impartial Hearing Officer by filing a request with the County Clerk and pay the filing fee (if one is established) by the County Board. The cost of the impartial hearing officer shall be equally shared by the parties.

1. The Office of Corporation Counsel shall upon receipt of a written hearing request, provide the employee with the name of an Impartial Hearing Officer. The Impartial Hearing Officer must not be an employee of the County. The Impartial Hearing Officer may be a lawyer, a professional mediator/arbitrator or other qualified individual as determined by the County Administrator.
2. The Impartial Hearing Officer shall be impartial and may not have any prior knowledge of the grievance.
3. The Office of Corporation Counsel will contact the hearing officer and schedule a meeting with the employee and the IHO to discuss the hearing. This meeting shall occur within two weeks of the date the Human Resource Director receives the request for the hearing. If the employee does not respond to the attempt to schedule the meeting or does not attend a scheduled meeting, the request for a hearing shall be considered withdrawn and the decision of the Human Resources Director shall stand.
4. The Impartial Hearing Officer may decide the case on the existing record or may conduct a hearing. A hearing will be scheduled within 30 calendar days of receipt of
the hearing request and filing fee. The Impartial Hearing Officer may reschedule the hearing with permission of both parties.

5. The Impartial Hearing Officer, with the consent of both parties, may use their best efforts to mediate the grievance.

6. The employee has a right to be represented at the hearing (at the employee’s expense) by a person of the employee’s choosing.

7. Burden of Proof
   
   (a) The burden of proof in a suspension or termination grievance is on the County to show just cause for the action.
   
   (b) In workplace safety complaints, the employee has the burden of proof to show a violation of an applicable state or federal occupational safety and health standard, rule or regulation.
   
   (c) The standard required of the party with the burden of proof in all cases is a preponderance of the evidence.

8. The hearing shall be recorded by a court reporter, who will make a record of the proceedings, and the costs will be shared equally by the parties.

9. Formal rules of civil procedure will not be followed. Strict adherence to legal rules of evidence is not required. Evidence must be relevant, reliable and probative. The IHO will determine admissibility, credibility, and weight of evidence.

10. Both parties may introduce exhibits and present witnesses. Witnesses shall be sworn to tell the truth.

11. The Impartial Hearing Officer shall provide a written decision within 30 calendar days following the close of the record. The written decision should include a case caption; the parties and appearances; a statement of the issues, findings of fact; any necessary conclusions of law; the final decision and order; and any other information the hearing officer deems appropriate.

12. The Impartial Hearing Officer shall have the power to sustain or deny the grievance. The IHO may not change or modify any discipline imposed, unless sustaining the grievance means that the discipline must be modified. In workplace safety cases, the IHO can recommend a corrective remedy.

STEP 5. County Board.

1. If either the grievant or the County desires to appeal the decision of the IHO, the appealing party shall filing a written notice of appeal with the County Clerk within 10 calendar days of receipt of the hearing officer’s decision or be barred from appeal. The appeal shall be to the La Crosse County Board.
   
   a. The written notice of appeal must contain: (1) a statement explaining the reason for the appeal, (2) a copy of the written grievance filed with the County, (3) the County’s response to the grievance, and (4) a copy of the Impartial Hearing Officer decision. The notice of appeal may not contain any information that was not admitted into evidence at the hearing.
   
   b. The appeal will be placed on the agenda for a County Board meeting that is held at no longer than 60 calendar days after the County Clerk receives a written notice of appeal. The appeal will be noticed for consideration in closed session pursuant to Wis. Stat. Section 19.85(1)(b) pertaining to dismissal, licensing, or suspension of a public employee. The County Clerk will provide a copy of the meeting notice to the employee, and the employee may request that an open session be held.

2. Burden of proof and scope of review. The appeal shall be a review of the record only and not a de novo hearing of the case. The appellant at all times bears the burden of proof. The decision of the IHO enjoys a presumption of validity.

   
   a. The Executive Committee of the County Board shall review the appeal record and make a recommendation to the County Board. Only the compiled record of the IHO hearing and exhibits admitted at the hearing shall be reviewed on appeal and
no additional evidence shall be considered. The Executive Committee’s and County Board’s review is limited to:
   i. whether the IHO kept within the IHO’s jurisdiction;
   ii. whether the IHO proceeded on a correct theory of law;
   iii. whether the IHO’s action was arbitrary or capricious; and,
   iv. whether the IHO’s decision was supported by the preponderance of the evidence.

b. The County Board on recommendation of the Executive Committee, may affirm, reverse, or modify the IHO’s decision.

c. The County Board shall decide the matter by a majority vote. This decision is final and non-appealable.

d. In the event the County Board does not sustain the Impartial Hearing Officer’s decision, then the Board may render a new decision and remedy, or take other action as appropriate.

e. The County Board Chair shall prepare and sign a written determination reflecting the County Board’s decision. The County Board Chair may enlist the assistance of the Corporation Counsel in preparing the determination. A copy of the determination will be provided to the employee within 10 calendar days following the County Board’s decision.

f. The County Board’s decision is final and may not be appealed.

3.29 GRIEVANCE OF TERMINATION
All grievances regarding termination shall be initiated at the third step of the grievance procedure.

3.30 FAILURE TO FOLLOW GRIEVANCE PROCEDURE
If at any time during the grievance process, the employee fails to follow any proscribed timeline, procedure or requirement, as outlined in this chapter, the Human Resources Director, or the County Board Chair if at Step 5 may dismiss the grievance.

Section 3. This Ordinance shall take effect the day after passage and publication as required by law.
