Starting next week, the County will be moving from Skype to Microsoft Teams. Tutorials will be sent out before the next board meeting.

**Administrator Report - Steve O'Malley**

**PROCLAMATION MAY 2020 - LAW ENFORCEMENT/PUBLIC SAFETY & COURTS MONTH**

WHEREAS, in a free society, law enforcement is entrusted and expected to protect the civil rights of its residents and visitors to our community; and, WHEREAS, La Crosse County employees serve to enhance public safety in the Courts, District Attorney, Sheriff, Emergency Management Coordination, Medical Examiner and Public Safety Communications; and WHEREAS, thousands of residents and visitors are helped each year by the professionals who respond to emergencies and assist those in need, NOW THEREFORE BE IT RESOLVED, the La Crosse County Board does hereby proclaim the month of May as Law Enforcement, Public Safety & Courts Month and urges all residents to join in recognizing the valuable contribution of persons dedicated to ensuring the safety of its county’s residents and visitors to our community.

Motion by J. Pogreba/R. Cornforth to approve passed on a unanimous voice vote with 29 ayes.

- **Zoning Decisions; County/Town/Process and Collaboration – Zoning Administrator Nate Sampson.**
  - Zoning is the act or process of partitioning a city, town or county in zones, or districts, reserved for different uses. The La Crosse County Zoning Ordinance lists 12 different zoning districts, all with their own set of allowable uses and dimensional requirements. This applies only in unincorporated areas of the county. The intent is to separate competing land uses that may have negative affects on adjoining property. Counties are authorized to adopt and administer general zoning ordinances under Wisconsin Statutes s.59.69 and Chapter 17 of the La Crosse County Code of Ordinances. Statutes also mandates counties to adopt and Administer Shoreland and Floodplain Zoning Ordinances (Chapters 16 and 20). If a proposed use of land is not listed as an authorized or conditional for the current zoning of the property, a rezone is required for the proposed use. Petitions to rezone property and Conditional Use Permits began at the County level. The respective town can react to the rezone or CUP before, during, or up to 10 days following the hearing. It takes a yes from the Town and a yes from the County for approval. Decisions on rezones must be considered consistent with the County Comprehensive Land Use Plan. The PR&D, County Board, and Town Board make the decision on consistency with respective comprehensive plans.

- **Update on the Safer at Home Order – Corporation Counsel Megan DeVore**
  - The Supreme Court issued a decision that invalidated the Safer at Home Order. The Court found that her order did not follow the proper procedures. The parts of the decision that has caused some confusion are the sections on the administrative rule. Chapter 252 deals with communicable diseases. The decision stated the order was too broad. Any order could not be criminally enforceable. Many counties that had issued orders started to rescind their Safer at Home Orders and similar ones. La Crosse County at this time decided to not issue an order. If there are concerns about the spread of COVID-19 with regards to a specific establishment or event, the Health Director can issue a specific order for that instance or event which can be enforced by a civil action.

- **Continuity of Government Operations – Associate Administrator Jane Klekamp**
  - All departments have stepped up to continue their operations since County buildings closed to the public in March. Over 300 employees are working from home. IT has been instrumental on getting employees working from home and
setting up virtual meetings for committee and board meetings. There was a testing site at the Omni Center in Onalaska today. Those results will be reported when they come back. People are being encouraged to stay home if they are sick, social distancing, wearing face coverings when in common areas of buildings, minimize travel, stay out of large groups of people, and continue to wash hands and don’t touch your face.

- The State of Wisconsin Gating Criteria contains of 6 categories; downward trajectory of flu like symptoms within a 14 day period; downward trajectory of COVID like symptoms within a 14 day period; downward trajectory of positive tests within a 14 day period; hospitals can treat all patients without crisis standards of care; hospitals affirm they can test all symptomatic staff treating patients at the hospital per CDC guidelines; downward trend of COVID-19 cases among health care workers calculated weekly. All criteria has been met except the downward trajectory of positive tests within a 14 day period and downward trend of COVID-19 cases among health care workers. Currently the Health Department has several staff members trained as contact tracers. They will be training 10 more people from the ADRC to do contact tracing. The State of Wisconsin will also pass along names of people who have signed up to be contact tracers.

- Report on County Financial Conditions – Administrator Steve O’Malley
  - Revenues this year are on track for year to date but expect Parks revenue to be lower. Register of Deeds revenues are above 2019 and Zoning volume and fees are similar to last year. The Health Department shifted 75% of focus to COVID response and are expecting reimbursement. Expenses are down in most areas. The Court operations cut back while fees and fines are similar to 2019 at this time. CTH GI highway project is on time and under budget. Nine employees are on furlough and 12 position vacancies have been kept open. Sales tax for the 1st 3 months was up 1.7% over 2019 but expect that to decline. County is in the strongest financial position in the past 17 years. The General Fund Unassigned Fund Balance grew from 59%, $20.7 million, to 67% of $23.4 million. Human Services total fund balance grew by $2.9 million; Health Department fund balance grew by $285,000; Library fund balance grew by $108,000, Hillview cash position grew by $849,000, Solid Waste cash grew by $1.19 million, and all non major enterprise funds grew slightly by 6.3%. The Highway cash decline was planned to fund projects and the health self insurance cash grew by $2.8 million. The General Fund Revenues exceeded expectations with sales tax, interest on investments and charges for services all above 2019 budget. General fund departments underspent by average of 9.2%, Human Services revenues above budget and expenditures below budget. Departments are starting to work on the 2021 budget cycle.

RESOLUTION NO. 2-5/20 RE: AUTHORIZING THE WAIVER OF INTEREST AND PENALTIES ON PROPERTY TAX PAYMENT INSTALLMENTS DUE ON OR AFTER APRIL 1, 2020

WHEREAS, in December, 2019, a novel strain of coronavirus known as COVID-19 was detected, and COVID-19 has continued to spread throughout the world, including to the United States and the State of Wisconsin ("COVID-19 Pandemic"); and WHEREAS, on January 31, 2020, the United States Department of Health and Human Services declared a Public Health Emergency, on March 11, 2020, the World Health Organization declared COVID-19 a pandemic, on March 12, 2020 the Governor of the State of Wisconsin declared a Health Emergency in the State, and on March 19, 2020 La Crosse County (the "County") declared a state of emergency under authority granted by Wis. Stats. Chap. 323; and WHEREAS, the federal, state, local and individual responses to the COVID-19 Pandemic and the uncertainty as to the effectiveness of those responses in mitigating the duration of the COVID-19 Pandemic have created economic hardship and uncertainty in the County's business community, households throughout the County and for every County property taxpayer; and WHEREAS, prominent economists have predicted record level unemployment rates for the coming months and this prediction suggests that County residents will also experience record level unemployment rates in the coming months, and an unprecedented number of businesses and employers throughout the State and in the County have been required to suspend operations; and WHEREAS, on April 15, 2020, the Wisconsin Legislature enacted 2019 Wisconsin Act 185 ("Act 185"), which Governor Evers signed on April 16, 2020 and which authorizes, among other things, the County to adopt a resolution enabling taxation districts in the County to waive interest and penalties on 2020 property tax installment payments due and payable after April 1, 2020, until October 1, 2020; and WHEREAS, a resolution authorizing the above referenced waiver must also establish criteria for determining hardship that would qualify a property tax payer for the waiver; and WHEREAS, the County's authorization for a taxation district to implement the above referenced waiver is contingent upon a taxation district adopting a resolution in similar form and content as to the County's resolution; and WHEREAS, County Ordinance §4.05 imposes a penalty on delinquent general property taxes, special assessments, special charges and special taxes in the amount of 0.5% per month or fraction of the month; and WHEREAS, this Resolution is intended to (1) serve as the County’s enabling resolution for purposes of Section 105(25) of Act 185; (2) authorize any taxation district located in the County to waive interest and penalties on installment payments of property taxes due and payable after April 1, 2020, in a manner consistent with Act 185 provided the taxation district adopts a similar resolution and otherwise satisfies all conditions precedent to waiver contained in Act 185 and this Resolution; and (3) declare that all property taxpayers in the County are experiencing hardship as a result of the economic conditions associated with the COVID-19 Pandemic, the various federal laws and regulations implemented as a result of the COVID-19 Pandemic, the various emergency orders and regulations implemented by state and local governments, and Act 185; and WHEREAS, while the plain language of Section 105(25) of Act 185 allows for either a general or a “case-by-case” finding of hardship to qualify for the above referenced waiver of interest and penalties, the County intends by this Resolution to authorize a taxation district to waive interest and penalties for all property taxpayers in the County otherwise eligible for waiver under Section 105(25) of Act 185 on a finding of general hardship based upon the economic conditions
described in this Resolution, which the Board determines has adversely affected taxpayers in the County; and WHEREAS, this Resolution is not intended to be construed as authorizing any sort of “case-by-case” finding of hardship by a taxation district; and WHEREAS, this Resolution is intended to allow a taxation district to waive the penalty imposed by County Ordinance § 4.05 for property taxpayers qualifying for the waiver of interest and penalties as provided in Section 105(25) of Act 185 and this Resolution. NOW THEREFORE BE IT RESOLVED that pursuant to Section 105(25) of Act 185, the Board hereby finds and authorizes the following:

1. Because of the COVID-19 Pandemic, the various federal laws and regulations implemented as a result of the COVID-19 Pandemic, the various emergency orders and regulations implemented by state and local governments, and Act 185, the Board finds that many property taxpayers are experiencing hardship as that term is used in Section 105(25) of Act 185.

2. A taxation district is authorized to waive interest and penalties for property taxes payable in 2020 for an installment payment that is due and payable after April 1, 2020. This Resolution authorizes a taxation district to waive interest and penalties as provided in Section 105(25) of Act 185 for all property taxpayers in the taxation district such that if a taxation district authorizes the waiver under Section 105(25) of Act 185, it must offer the waiver to all property taxpayers in the taxation district. Notwithstanding the foregoing, nothing in this Resolution authorizes a taxation district to waive interest and penalties for property taxes payable in 2020 for an installment payment that was due and payable prior to April 1, 2020, except as otherwise permitted under applicable law.

3. The terms of County Ordinance § 4.05 imposing a penalty on delinquent property tax payments are hereby modified for purposes of implementing the terms of this Resolution and Section 105(25) of Act 185.

4. The County will continue to follow the settlement procedure set forth in Wis. Stat. §74.29 and will pay in full all property taxes to the underlying taxing jurisdictions on August 20, 2020.

5. Notwithstanding Wis. Stat. § 74.57, the County Treasurer is authorized, but not required, to omit from the tax certificate delivered to the County on September 1, 2020, all parcels of real property for which a taxation district has waived interest and penalties as provided in this Resolution.

6. The County Treasurer is directed to consult with the Wisconsin Department of Revenue, all taxation districts in the County, and corporation counsel regarding the implementation of this Resolution and the procedures associated with, or contemplated by, this Resolution.

7. Other County officers are authorized and directed to assist the Treasurer in the interpretation, application and implementation of this Resolution and Section 105(25) of Act 185.
