**ANALYSIS**

The La Crosse County Final Supervisory District Plan increases the number of supervisory districts from 29 to 30 in La Crosse County. The numbering and boundaries of each supervisory district are illustrated on the certified map that will be permanently on file in the County Clerk's office.

The ideal district population for the 30 supervisory districts is 4,052 within the limits of the City of La Crosse and 4,006 outside the limits of the City of La Crosse resulting in 13 supervisory districts in the City of La Crosse and 17 supervisory districts in the remainder of the county.

The Final Supervisory District Plan meets the guiding principles for redistricting approved by the Redistricting Committee in that the Supervisory Districts are substantially equal in population, compact, respect communities of interest and when possible, retain the core of existing districts. A certified copy of the redistricting plan enacted by the County Board will be filed with the Secretary of State.

The Final Supervisory District Plan will initially be applicable to the election of County Board Supervisors commencing in 2022 with the first election under this plan to be held on the first Tuesday in April 2022.
