CONSIDERATION OF GRANT APPLICATIONS FROM DAWN AND JERRY WACEK
Since the committee met last week on May 24, 2017, staff has touched base with the City of La Crosse, as well as spoken with Barb Kooiman, asking her to do some historic research of the property 1206 7th Street South. The City’s findings were sent out via email earlier this week to the committee members. After inspection of the property, the findings were that due to significant termite damage, water damage, as well as other issues with the property, it was not found to be financially viable to renovate the property, and their recommendation was for demolition of the current structure.

Brian also forwarded Barb Kooiman’s report to the committee this afternoon. She researched the history of the house and gave an opinion of the house’s historic status in her personal opinion as an architectural historian. In her opinion, she does not find that the property would be eligible for the National Historic Register.

MOTION by Strangman/Gilman to approve the grant applications for 1206 7th Street South from Dawn and Jerry Wacek. Motion carried on 4/1 vote; Ayes: Prinsen, Strangman, Gilman and Geary; Nay: Plesha; Jerome excused; Stoll-Caucutt abstained.

ADJOURN
There being no further business, MOTION by Gilman/Geary to adjourn the meeting at 5:20 p.m. Motion carried unanimously.
