Note:  
 Stationing marked "R" is retaining.  
 All other stationing is original location.  
 Located line is center line of proposed double track system.  
 and center line of right of way on which retaining was made, except as noted.  
 From curve west of Tunnel City to Sparta the original track  
 was built 65' north of located line.  
 From curve at junction with old P&W west of Needah to curve west of Wyville  
 the original location is in center of old P&W track, future second track to be 13' north.  
 For location of original track see intermediate notes.  
 Right of Way checked by Land Dept records, May 1912.
